

## **True day of infamy**

**Truly, a self-inflicted day of infamy, criminal minds decriminalized a criminal act and America rejected the strangers it would never know, abandoned them to a violent death, denying them entry into the land of life, liberty and the pursuit of happiness! POTUS Obama concurs with the seven judges and hopes to change the court, ridding it completely of any pretense of constitutional protection for innocent human life.**

**Mathew 25: 'Depart from me, you accursed,  
into the eternal fire prepared for the devil and his angels.**

**For I was hungry and you gave me no food,  
I was thirsty and you gave me no drink,**

**a stranger and you gave me no welcome,  
naked and you gave me no clothing,  
ill and in prison, and you did not care for me.'**

**America, a serial  
killer of strangers**

**it refused to know.**
